Our Commitment to Wellness & Sustainability

At QuadReal, we integrate sustainable practices into every stage of our work. From how we design and operate our buildings to how we collaborate with tenants and communities, we're focused on creating spaces that support long-term health, prosperity, and resilience.

Our approach extends well beyond reducing carbon emissions. We prioritize environmental responsibility, community well-being, and strong governance as part of our commitment to a more sustainable future. It's about building for the needs of today while ensuring future generations can thrive.

QUADREAL'S PATH TO NET ZERO

KEY NOTABLES

QuadReal Calgary's directly managed portfolio is on track to meet or exceed the 2030 goal of 50% absolute carbon reduction.

Jamieson Place is certified LEED O+M Platinum, BOMA 360, BOMA Best Platinum, and more.

QuadReal: Excellence Lives Here

QuadReal Property Group is a global real estate investment, development and operating company headquartered in Vancouver, British Columbia.

From its foundation in Canada as a full-service real estate operating company, QuadReal has expanded its capabilities globally for investments in equity and debt in both the public and private markets. QuadReal invests directly through operating platforms in which it holds an ownership interest and via programmatic partnerships.

QuadReal seeks to deliver strong investment returns while creating sustainable environments that bring value to the people and communities it serves. Now and for generations to come.
