WIREScore GOLD CERTIFIED

Better connected

111 Peter Street is WiredScore Certified Gold. This certification gives tenants an enhanced digital experience throughout the building with best in class service and connectivity features, such as:

- A choice of 6 service providers which offer high speed connectivity (fibre or fixed wireless).
- Available capacity for additional service providers and service provider equipment.
- Free Wi-Fi in common and amenity areas throughout the building.
- Multiple communications points of entry which gives tenants the ability to utilize diverse connections.
- A secure and dedicated area for service provider equipment.
- A standard Telecom License Agreement that is used to streamline the right of entry process for new carriers entering the buildings.

In pursuing Wired Certification Crown worked in tandem with WiredScore to review and implement upgrades to the digital and fibre optic infrastructure within the building. Upon completion of an on-site audit which evaluated the number of available internet service providers, infrastructure redundancy, connection access points, and readiness to improve connectivity, a Wired Certified Gold level was assigned to the property.

About WiredScore Certification

Wired Certification is the internationally recognized rating system that helps landlords design and promote their buildings' great digital connectivity to tenants. Over 5 million tenants in more than 2,000 buildings globally trust Wired Certification as the benchmark for internet that meets their needs. For more information on Wired Certification or to find Wired Certified buildings, visit: www.wiredscore.com
