BERCZY SQUARE

Work can be more than just a location we're beholden to. It can offer culture and a dynamic environment where we can grow and enhance our personal experience. It can be more than "just a place."

Berczy Square isn't just any place. It's steps from an iconic park in an iconic part of Old Toronto, where people have always gathered to enjoy the city's offerings.

Welcome to Berczy Square - where you open the door and step into a space that invites the outside in. Look up through a stunning interior space filled with natural light. Experience ideas from nature woven through the interior, reaching out to Berczy Park. Sink into soft cushions around the central fireplace while a massive accent wall comes alive with digital art. Find your new favourite place to dine or discover where wellness comes first in the fitness centre - whatever your preference is, this is your place to explore.
