Our Commitment to Wellness & Sustainability

At QuadReal we're committed to leadership in sustainability on a global scale, and right here at home in Canada.

We've set ambitious targets to reduce water, waste, energy and carbon emissions - rigorously tracking our progress using real scientific data. But we know we can do more. That's why we're working to cut 100% of our operation's carbon footprint by 2050. It's part of our pledge to build better communities, places that aren't just good for our customers' wellbeing but for the entire planet.

QUADREAL'S PATH TO NET ZERO

KEY NOTABLE

QuadReal Calgary's directly managed portfolio is on track to meet or exceed the 2030 goal of 50% absolute carbon reduction.

QuadReal: Excellence Lives Here

22 Bishopsgate
London

KPMG Tower is proudly managed by QuadReal Property Group — a team committed to exceptional service, operational excellence, and meaningful tenant experiences.

Our local teams provide hands-on support, while our digital tools keep everything running smoothly in the background. Through the QuadReal+ app, tenants can register for events, connect with building management, and stay informed with real-time building updates. For after-hours or on-the-go support, QuadReal CONNECT offers 24/7 assistance, ensuring tenants always have access to the help they need—anytime, anywhere.

QuadReal Property Group is a global real estate investment, development and operating company headquartered in Vancouver, British Columbia.

From its foundation in Canada as a full-service real estate operating company, QuadReal has expanded its capabilities globally for investments in equity and debt in both the public and private markets. QuadReal invests directly through operating platforms in which it holds an ownership interest and via programmatic partnerships.

QuadReal seeks to deliver strong investment returns while creating sustainable environments that bring value to the people and communities it serves. Now and for generations to come.
