Lisgar Commercial Real Estate was founded in 1956 by Martha Zenker. As a woman in the construction business she was immediately perceived to be at a disadvantage. Lisgar emerged and flourished because of her painstaking attention to detail, high quality products and relentless ambition. Today, Lisgar continues to distinguish itself by having dedicated and talented staff, our commitment to tenant service and producing unique and reliable environments.

To create professional working spaces, Lisgar collaborates with top-tier design firms and contractors. We enhance the feel and appearance of the building through continuous improvement and focused teamwork. We create efficient and clean office spaces.

Lisgar continuously invests in the properties for long term sustainability. We were founded with strong family values in mind and we strive to maintain this dynamic moving forward by developing long-term relationships with our tenant's.

Lisgar is a commercial real estate company exclusively in Mississauga and Oakville. We have superior locations to enhance the success of your business no matter what stage you are in.
