For a full copy of the zoning bylaw, [please click here](#).

EXPECTED COMPLETION

September 2026

Opportunity

Avison Young is pleased to present the opportunity to lease a brand-new, 35,920 sf industrial facility, featuring premium design, situated on 1.43 acres in the South Poplar area of Abbotsford.

The building comes with dock and grade-level loading, boasts minimum 31' 2" clear ceiling heights and has the potential to add a mezzanine space of 5,537 sf. The existing zoning permits up to 40% of the floor area for office, showroom, or retail use.

Abbotsford is poised for strong growth, making it an increasingly appealing location for businesses. The area's numerous industrial developments and opportunities are outpacing nearby submarkets, presenting a unique opportunity to meet the growing demand in this dynamic and rapidly evolving area.

Location

The property is located just off the Clearbrook Road interchange, allowing for immediate access to Trans-Canada Highway (Highway 1) and convenient access to major arterial routes such as Fraser Highway, and South Sumas Way (Highway 11), providing seamless connectivity to Abbotsford International Airport, the Sumas/Abbotsford US Border Crossing, and surrounding communities throughout the Fraser Valley and Metro Vancouver.

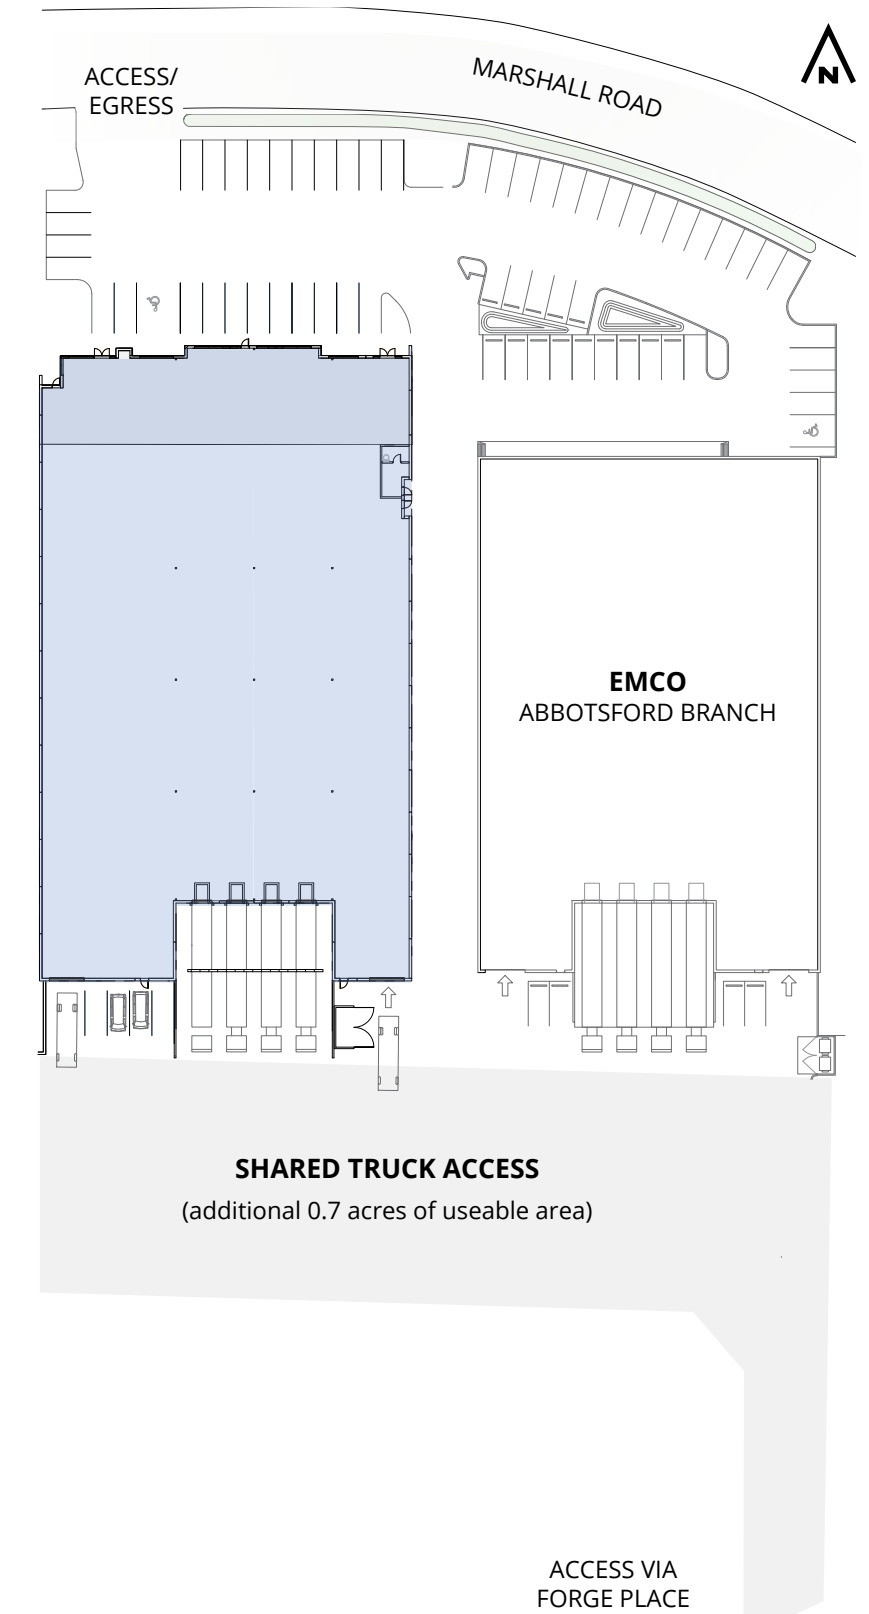

As the population of this vibrant urban hub continues to grow, businesses are increasingly looking to expand into this thriving community.

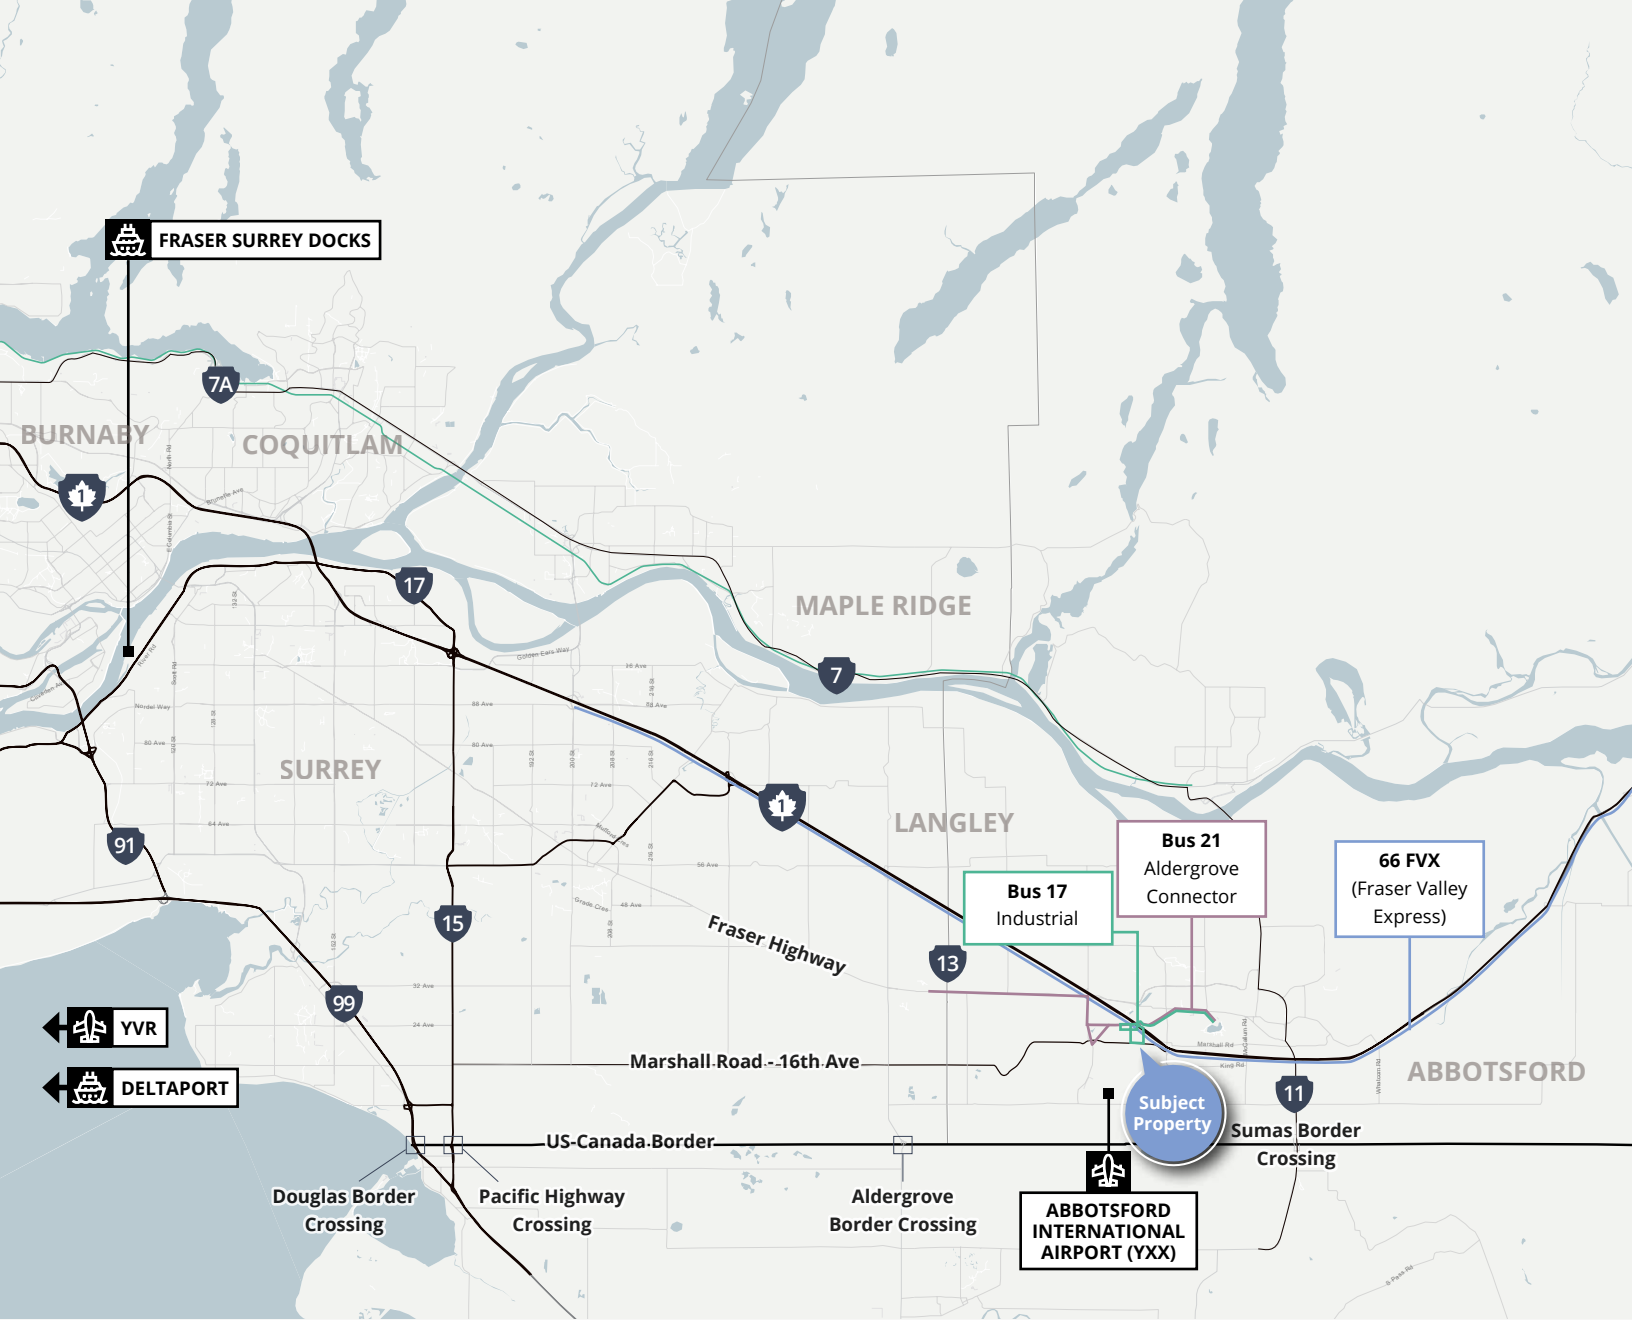

Building specifications

-  31' 2" clear ceiling height
-  800 amps at 600 volt electrical service with rough ins for EV Charging
-  LED Warehouse lighting
-  ESFR Sprinkler system
-  Four (4) 8' x 10' dock-level loading doors with concrete dolly pads, levelers, and dock seals
-  Two (2) grade-level loading doors (14' x 16')

Site plan
