a new way to
INNOVATE

City Centre 4 is the latest and largest phase of Surrey City Centre's Health & Technology DISTRICT which currently totals over 1/2 million SF of AAA office and retail space. Existing companies include a large number of professional, health, academic and technology based organizations and professionals that are focused on innovation and BC's emerging technology economy. This rapidly growing, high-profile community is home to a network of researchers, entrepreneurs, multinational and start-up companies, and some of the most advanced digital health, wellness, technology, and clinical service organizations.

Located in the vibrant Health & Technology District and immediately adjacent to one of Canada's busiest hospitals, your business has a unique opportunity to become part of this rapidly growing innovation ecosystem which will soon total over 850,000 SF. Specifically, City Centre 4 offers:

- 354,468 SF of AAA office, retail and hospitality space
- State-of-the-art amenities, including end-of-trip and fitness facilities
- Total of 1,887 parking stalls across four buildings – accessible through secure underground parking
- Numerous retail outlets and restaurants
- Signage options available
- Units from 659 SF and up
- Estimated completion: Q4 2025
- Within a six minute walk of King George SkyTrain station
- LEED GOLD (Pending)
- Wired Score certified

an industry-leading community

City Centre 4 is perfectly positioned in the heart of Surrey City Centre, within the vibrant Health & Technology District. Adjacent to one of Canada's busiest hospitals and just steps from the newest UBC and Simon Fraser University campuses, the area is surrounded by a wide range of amenities, including hospitality, retail, and fitness offerings. The new Hilton Homewood Suites hotel, occupying floors 17 through 25, will offer convenient accommodations for visitors and professionals in the area.

This highly accessible and central location is only minutes from the King George SkyTrain Station and the Fraser Highway, providing seamless access to key transit routes throughout the region.

Adding to the area's growing energy is the planned Surrey Entertainment District — a 10,000-seat arena and multi-purpose venue that will bring major sports, music, and cultural events to the city—further reinforcing City Centre 4 as a growing hub for work, learning, and life.

Safe Software

empowerment through education

UBC recently confirmed the acquisition of a three-acre property at 9770 King George Boulevard in Surrey.

The complex, located near Surrey Memorial Hospital, will expand and improve access to post-secondary education in the rapidly growing South Fraser sub-region of Metro Vancouver, enhancing the attractiveness of the City of Surrey.

The future campus is located directly adjacent to the King George SkyTrain Station, the Health & Technology District and Surrey Memorial Hospital. The project is still in preliminary planning phases however this massive commitment to Surrey City Centre will further enhance the vibrant Health & Technology District.
