Opportunity

Centre Village Mall is a 380,995 sf shopping centre, centrally located at the corner of 13 Street and 2A Avenue North. This commercial centre is home to a mix of over 20 quality tenants and has been a hub in the community for over 54 years.

Since being acquired by Anthem in 2006, the site has seen extensive work including an expansion of Canadian Tire in 2009 and the construction of the new Save-On-Foods, London Drugs, and Dollar Tree stores in 2016.

To further update and reinvigorate the Centre Village Mall site a redevelopment strategy is underway. The landlord is focusing on converting the North-West portion of the site into a quality hub that will include three new commercial buildings. These CRU's will be ideal for retail users, large-format restaurants, QSR's, and drive-thru options.

The redevelopment project will incorporate modern finishes and energy efficient design practices. For more information on this exciting opportunity, please contact the Avison Young office.
