VANCOUVER'S NEW HEALTH & INNOVATION DISTRICT

LOCATION

Prior Place is strategically positioned at the gateway to Vancouver's emerging health and technology hub, anchored by the new St. Paul's Hospital Medical Campus. With seamless access to Downtown, rapid transit at Main Street–Science World Station, and direct frontage on a high-traffic arterial, the site offers exceptional connectivity and easy access to major hubs around Vancouver. The project reflects a long-term vision for a vibrant, connected, and amenity-rich community in one of Vancouver's most dynamic and evolving districts.

450 PRIOR STREET & 530 MALKIN AVENUE, VANCOUVER, BC

OPPORTUNITY

The 15,000 SF retail component of Phase 1 at Prior Place presents a rare leasing opportunity to anchor a two-phase, mixed-use development in Vancouver's rapidly evolving False Creek Flats. Prior Place is the only planned large-scale project offering direct access to St Paul's transformative health hub. Retailers will benefit from exposure to a diverse and stable customer base, including hospital staff, patients, visitors, life sciences professionals, existing neighbourhood patrons, and the project's new residents (321 market rental units in Phase 1).

This high-profile location is ideally suited for grocery, pharmacy, and large-format retailers seeking to secure a presence in Vancouver's newly established health-focused urban district.
