# 902 COMMERCIAL DRIVE

EXCEPTIONAL INVESTMENT/OWNER-USER OPPORTUNITY

# THE OPPORTUNITY

902 Commercial Drive presents a compelling opportunity to acquire a retail strata unit along one of Vancouver's most vibrant and established commercial corridors. Located on Commercial Drive, the property benefits from strong pedestrian activity, a diverse local customer base, and the area's long-standing reputation as a destination for independent retailers, food and beverage operators, and service-oriented businesses.

The strata format offers a rare chance to secure long-term ownership in a tightly held retail market, appealing to both investors seeking stable income and owner-users looking to establish a presence in a highly walkable, transit-supported neighbourhood. Surrounded by a mix of residential density, daily-serving retail, and destination concepts, the location supports consistent demand and enduring relevance.

With its prominent Commercial Drive address, neighbourhood-oriented character, and limited availability of comparable strata retail ownership opportunities, 902 Commercial Drive represents a strategic acquisition in one of Vancouver's most recognizable and resilient retail districts.
