Welcome to 2000 McGill College

2000 McGill College is a 340,000-square foot Class "A" building which sits in the heart of Montreal's business district.

Directly connected to Place Montréal Trust and the underground network, this building is very well situated to meet the needs of its tenants. Its tenant roster consists of prestigious law firms, insurance companies, technology firms and other professional service industries.

Exceptionally Connected

This prime location offers a vibrant and dynamic setting for businesses. Situated in the heart of the city, 1981 McGill College provides easy access to a wide range of amenities, including shopping centers, restaurants, and cultural attractions. With its strategic position, the building presents an excellent opportunity for individuals and organizations seeking a bustling urban environment with a thriving community.

McGill Prestige & Avenue Renovations

Desirable location for employees

McGill College is one of the city's most prestigious and historically significant thoroughfares, known for its blend of heritage architecture and modern developments. This Avenue is a hub of business activity, connecting the financial district to the Old Port.

The ongoing renovation program on McGill College is elevating its status even further, transforming the area into a pedestrian-friendly, vibrant space. These renovations are not only enhancing the avenue's aesthetic appeal but are also reinforcing its position as a prime destination for top-tier businesses and cultural experiences.

The upgraded street scape, coupled with the nearly completed renovations, makes McGill College a magnet for both talent and investment, solidifying its prestige in Montreal's urban landscape.

The Okkto Experience

Experience a transformative work environment that puts your employees' priorities first. Okkto by Canderel is the answer to the evolving needs of today's professionals, blending work and life seamlessly.

What is Road to Net Zero (RNZ)?

Canderel's RNZ is our comprehensive solution for decarbonizing the built environment. Currently, we are guiding iA along their Road to Net-Zero, helping them achieve carbon neutrality. 2000 McGill is already a highly energy-efficient and low-carbon building, as it does not rely on natural gas or fossil fuels as its primary energy source. We have recently completed an assessment to further enhance the building's efficiency and reduce its environmental impact.

Onsite Amenities:

PIGEON

Pigeon Coffee offers a unique and inviting space where quality meets community, providing the perfect spot for professionals to recharge and connect. With its commitment to sourcing the finest beans and creating an exceptional coffee experience, Pigeon enhances the daily routine of everyone in the building.

b.cycle

B.cycle provides a convenient and energizing way for people in the building to stay active, offering immersive spin classes just steps away. It's the perfect solution for maintaining a healthy lifestyle while balancing the demands of a busy workday.

A new take on Workplace Hospitality

The idea of work-life balance can seem unfeasible, but Okkto is here to redefine the conversation. Our focus on work-life synergy acknowledges the inseparable link between work and life, creating a more human and holistic workplace experience.

The Okkto Experience

Experience a transformative work environment that puts your employees' priorities first. Okkto by Canderel is the answer to the evolving needs of today's professionals, blending work and life seamlessly.
