Full Office Amenities

Your rental rate includes valuable amenities like a full kitchen, customer waiting room, office furnishings and excellent lighting.

Competitive Rates

Fair, competitive, advantageous. That's what you'll get with our office rental packages. A small price to pay for big features and productivity.

Coffee Services

Get coffee for you and your customers

24/7 Access

We cater to our tenants' diverse working hours. Morning, evening, 3AM – your space is your own to come and go as you please. Our building also comes with monitored surveillance so you'll always feel safe, no matter the time.

Boardroom Use

Every rental includes free access to the boardroom. It comes with a TV, whiteboard, coffee for your guests and an easy to book system.

Furniture Package

Whether you just need a desk or a full decor package we will furnish for you

Flexible Lease Terms

We understand that as a growing business your needs will fluctuate. For this reason, we are able to offer a variety of flexible lease options and terms. Let us know what your needs are, and we will customize a lease length and terms based on your growing business.

Team Options

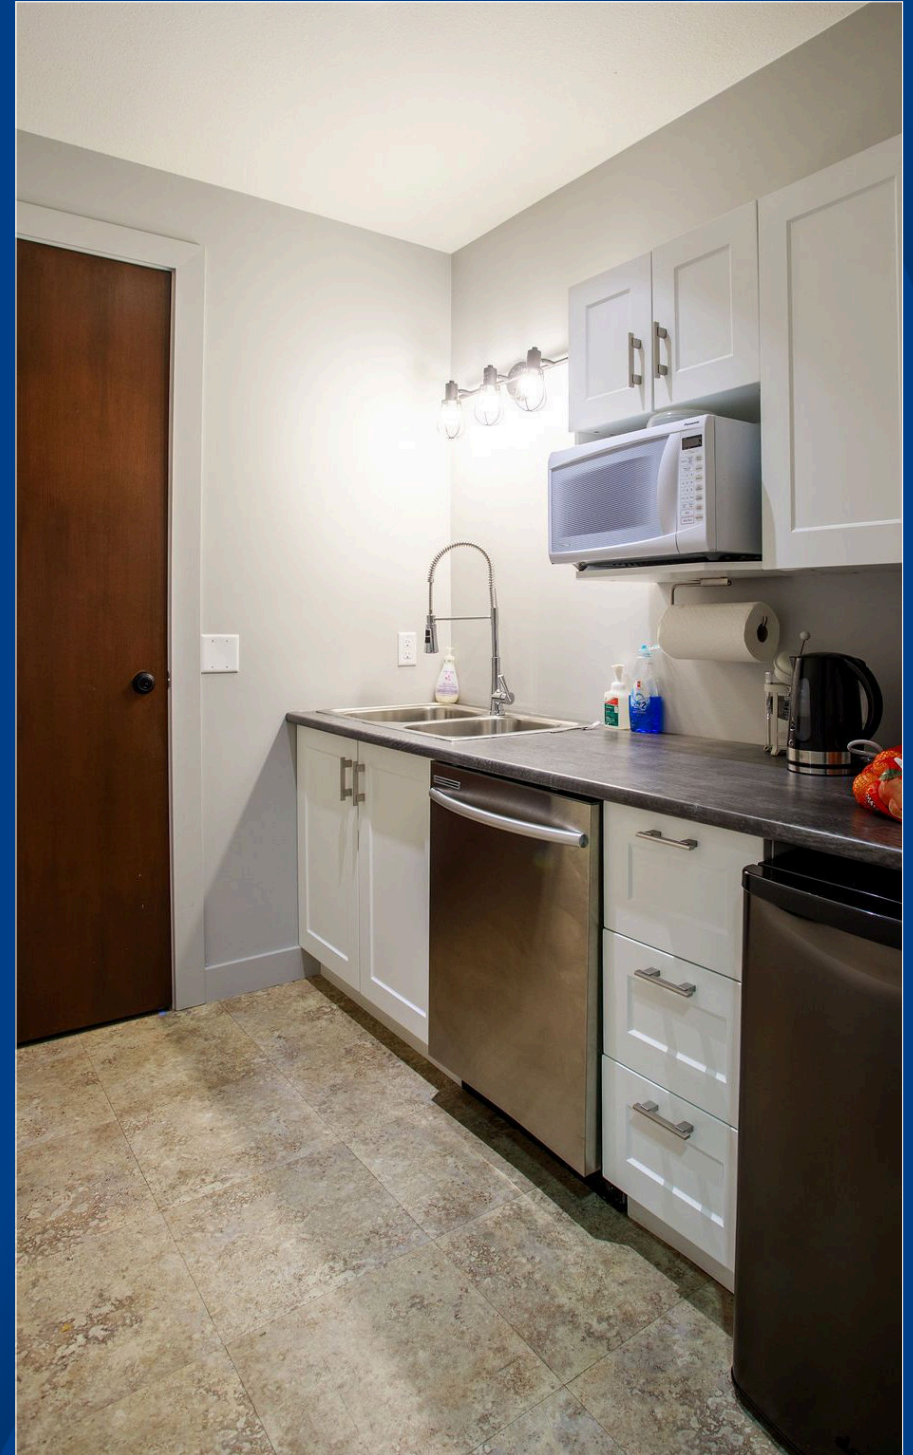

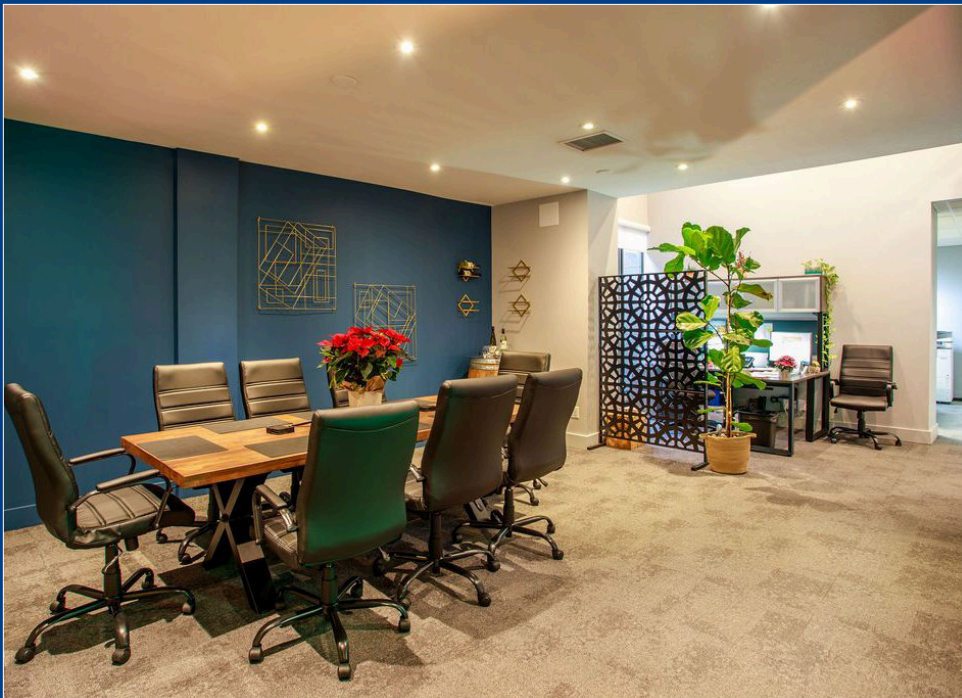

We support small teams and sharing arrangements and won't charge you extra.

No Hidden fees

All office rental packages are all in. There are no hidden fees
