property summary

PROPERTY DESCRIPTION

31 Auriga Drive is a freestanding 29,338 SF office building on 2.90 acres, now fully vacant and available to a single occupier to buy or to lease in its entirety. Under one occupant's control, with no shared lobby and no other tenants, it suits work that depends on security and discretion. 600A / 600V 3-phase power and IM (Mixed Industrial) zoning support labs, secure operations, and data-centre use. It is well suited to defence and aerospace contractors, cybersecurity firms, secure government operations, and research and development groups.
