— What's Included

Large drive-in bay — deep enough for two Transit-size vans with room to work around both

Heated bay — overhead forced-air; works year-round through Ottawa winters

Upgraded, ESA-approved electrical — 125A single-phase, wet-rated; 2×20A, 1×30A, GFCI; permits closed

Finished front office & reception — professional, client-facing

Parking — 2 dedicated spaces plus shared lot & street

Optional curtain **OPTIONAL** — splits the bay into two private work zones

Single 12' drive-in garage door — fits vans, trucks, and lifted SUVs

20' clear ceiling height — tall, open working volume

Floor drain with oil-water separator — compliant wash-bay drainage

Full washroom — toilet and sink on-site

Exterior signage permitted — get your business seen from the lot

Pure-water (RO) system **LEASE TAKEOVER** — spot-free water; \$144.85/mo + HST

Optional items can be purchased at a fair price or left out — full pricing on the next page. Everything else is included with the space.

Both work zones, looking in from the overhead door

Rent & Payment Schedule

Sublease — with Clean Detailing		July 1 – October 31, 2026
July 1, 2026	\$2,400/mo + tax, utilities & internet	+ one-time leasehold improvement contribution
August 1, 2026	\$2,400/mo + tax, utilities & internet	
September 1, 2026	\$2,400/mo + tax, utilities & internet	
October 1, 2026	\$2,400/mo + tax, utilities & internet	

No Additional Rent (TMI). The \$2,400/month is the full base rent — no separate taxes, maintenance, or operating-cost charges. You cover only your own utilities & internet, plus HST.

One-Time Leasehold Improvement Contribution		due with your first month
Finished Front Office & Reception Newly built November 2024	Original-cost: \$7,500	You pay: \$1,500 + tax
Wet-Rated, ESA-Approved Electrical Upgrades Main bay & washroom	Original-cost: \$2,920	You pay: \$1,460 + tax
Total contribution		\$2,960 + tax

What is it? A one-time buy-in to the permanent, permitted upgrades already made to the unit — the finished front office and the wet-rated, ESA-approved electrical. These improvements stay with the space, so you benefit right away and into a direct lease if you take one — at a fraction of what they cost to build.

Direct Lease — with Landlord optional · 3 or 5-year term · from November 1, 2026

- Finalized directly with the landlord before you sign your sublease with Clean Detailing.
- Expect a nominal increase above the \$2,400/month sublease rate (est. \$2,400–\$2,800/mo, set by landlord).
- This is what lets you keep the space long-term once the sublease period ends.

— Optional Add-Ons

Pure-Water (RO) System **OPTIONAL**

The shop runs on well water, which is very hard — untreated it leaves spots and mineral marks and scales equipment. The installed Culligan system delivers clean, spot-free water, ideal for washing, ceramic coatings, and prepping panels for wrap, PPF, and tint. Take it over as a lease assignment at **\$144.85/month + HST** (~16 months remaining, ending Nov 17, 2027). Culligan-owned and serviced — nothing to buy or install. Or bring your own water setup.

Optional Equipment & Fixtures — Available to Purchase

None of this is required — start fresh, or buy any of it at a fair price to work from day one:

- Water holding tank (RO) — **\$180 + tax**
- Industrial wash-bay curtain & tracks — **\$950 + tax**
- Mytee 8070 hot-water extractor — **\$950 + tax**
- Pressure washer + hose line & reel — **\$850 + tax**
- Air compressor + hose line & reel — **Ask**
- Washing machine — **\$290 + tax**
- Ceiling bay light — **\$195 + tax**
- Husky customizable shelving — **\$190/unit + tax**
- Shop sidewall lighting — **\$150**
- Office desk, water dispenser, coffee machine — **Ask**
