Strata Office For Sale

821 Burdett occupies a rare sweet spot in Victoria's downtown – steps from the CBD's amenities, yet on a quiet, established office corridor. The building sits directly across from the BC Law Courts at 850 Burdett, home to the Provincial, Supreme, and Court of Appeal Courts, making it a natural fit for legal professionals, consultants, and government-adjacent services.

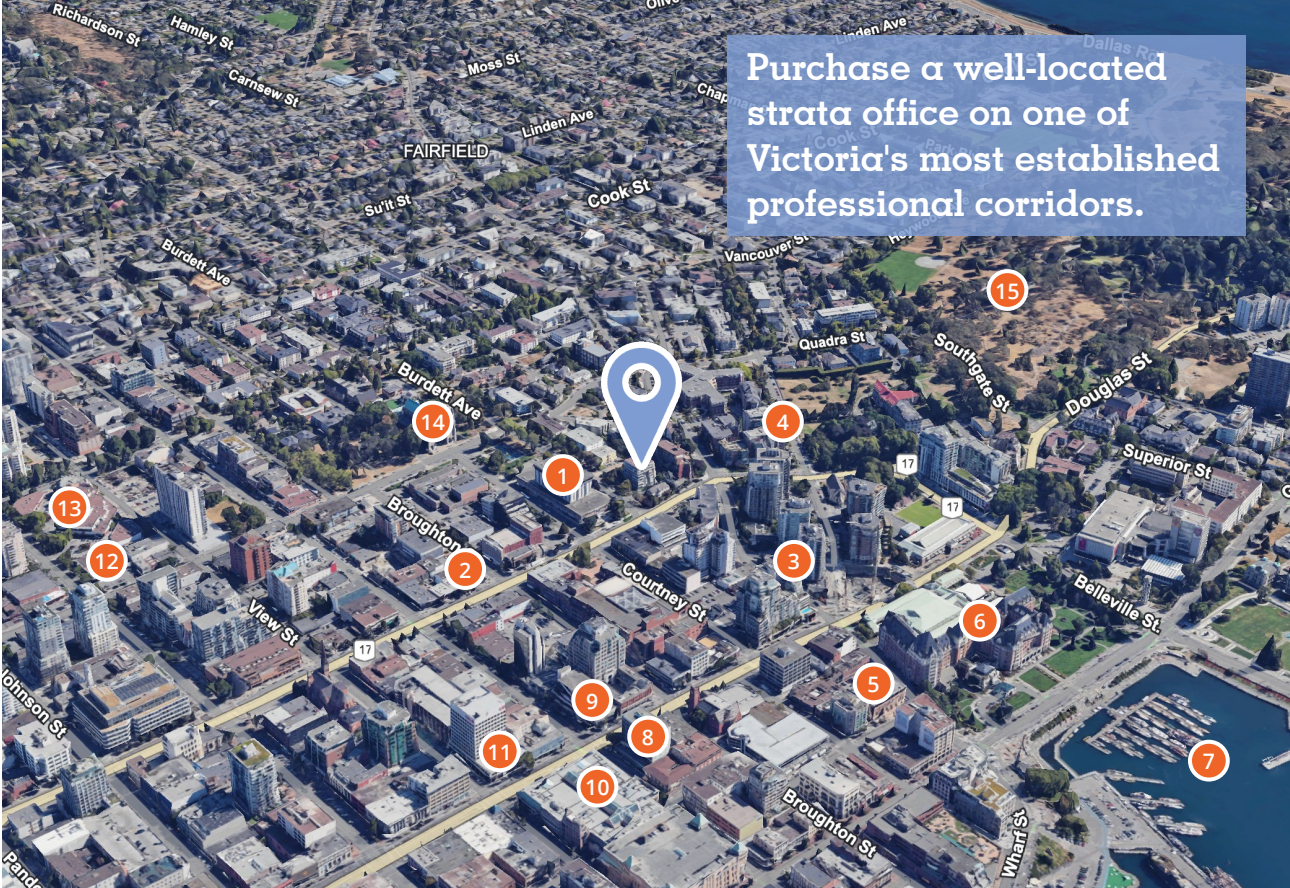

Chatsworth House is a 1982-built mixed-use building with offices on the lower floors and residential above. A recent large-scale exterior remediation has been completed, offering peace of mind for the incoming owner.

The unit itself is move-in ready with recently updated finishes and a flexible open floor plan that can be configured to suit a range of practice types. Natural light fills the space, complemented by access to a south-facing stone patio – an uncommon amenity that sets this office apart. A kitchen area and four-piece bathroom add a level of day-to-day comfort rarely found at this price point.
