Pavilion Cowork is a shared space designed for
Vancouver's professionals.

This is a place to grow.

A place to feel proud of.

A place to call your new HQ.

Introduction

A Singular Community

Located in the heart of vibrant Mount Pleasant, Pavilion situates itself in a neighbourhood with a distinctive mix of residential, commercial, and heritage buildings. Beyond being surrounded by a mix of boutique cafés, craft breweries, and eateries including Tacofino, Field & Social, Purebread, Elysian Coffee and 33 Acres Brewing Company, Mount Pleasant exudes a distinguished energy.

You will find connection to a true community, and the epicentre of Vancouver's tech industry transformation. The prime location of the neighbourhood parallels rapid transit in Olympic Village and on Main Street, providing quick access to both downtown Vancouver and the rest of Greater Vancouver.
