DRIVE-THRU

Marcus & Millichap

OPPORTUNITY

The Marcus & Millichap Western Canada NNN Group is pleased to present the opportunity to acquire a stable, two-tenant, NNN investment property with drive-thru located at 1308 Alaska Avenue, Dawson Creek, BC (the "Subject Property"). The Subject Property is 100% leased to The TDL Group Corp. and Parkland on NNN leases, secured by corporate covenants.

Secured by strong corporate covenants, the TDL Group Corp. and Parkland, are operating on landlord friendly NNN leases.

Strong performing location. Long-standing tenants since 2009, both tenants have recently renewed their leases for further terms of 5 years each.

The Subject Property is a corner lot located on a signalized intersection, well suited to capitalize on the local residents, commuters, and the employment base of Dawson Creek.

The Subject Property benefits from its prime exposure to Alaska Avenue (Highway 2), the key arterial road in Dawson Creek running southeast to northwest, connecting to the Alaska Highway.

Trade Area Population:

The surrounding trade area is home to approximately **30,000** residents, establishing Dawson Creek as a key regional hub in northeastern British Columbia.

Transportation Nodes:

- **Rail Connections:** Connected by CN Rail to Fort Nelson and the ports of Prince Rupert and Vancouver for efficient freight movement.
- **Highway Access:** Major highways connecting East to Alberta, Southwest to Prince George, and North to Fort St. John.
- **Local Airport:** Dawson Creek Airport (YDA) provides regional flights, with the nearest major airport being Fort St. John Airport (YXJ), located about 50 kilometers to the north.

Economic Drivers:

The economy is primarily supported by resource extraction, agriculture, and transportation, utilizing its strategic location to attract investment and business opportunities.

NORTHEAST REGION OF B.C.

Regional Growth:

The Northeast Region is experiencing rapid development, particularly in the energy sector, driven by opportunities in natural gas production and critical minerals.

Population:

The region has a population of approximately 72,300, encompassing key cities like Dawson Creek, Fort St. John, and Fort Nelson.

Key Industries:

- **Natural Gas:** Consistent capital investment in natural gas and related industries is fostering economic growth.
- **Clean Energy:** An emerging focus on clean energy solutions is contributing to regional diversification.
- **Forestry and Agriculture:** Traditional industries remain vital, supported by sustainable practices.
- **Critical Minerals and Clean Tech:** Opportunities in critical minerals and agri-tech are gaining traction, enhancing the region's economic landscape.

Dawson Creek and the broader Northeast Region of BC present a dynamic and resilient market environment. With strategic infrastructure, a diverse economy rooted in traditional and emerging sectors, and favourable agricultural conditions, this region is well-positioned for sustained growth and investment.
