the opportunity

38086 Third Avenue, Squamish provides a rare opportunity to acquire a premier development opportunity in the heart of Downtown Squamish. Located at the corner of Winnipeg Street and Third Avenue, this 12,000 SF± corner lot features 100 feet frontage along affluent Third Avenue, with 120 feet of depth with lane access at the rear.

The District of Squamish designates 38086 Third Avenue as Downtown Commercial Centre, permitting a Maximum Floor Area Ratio (FAR) of up to 3, thus providing 36,000 SF± of buildable square feet. The envisioned development is slated for up to 6-storey, mixed-use development, with ground-floor retail commercial and residential above.

With the District of Squamish adopting a robust growth management strategy, Squamish is anticipated to become one of BC's fastest growing municipalities. Where a Downtown Squamish address places you at the heart of a vibrant community, yet outdoor adventure is in your backyard. Here, live, work, and play weave together in spirited harmony.

land use

Official Community Plan (OCP) Designation: Downtown Commercial Centre

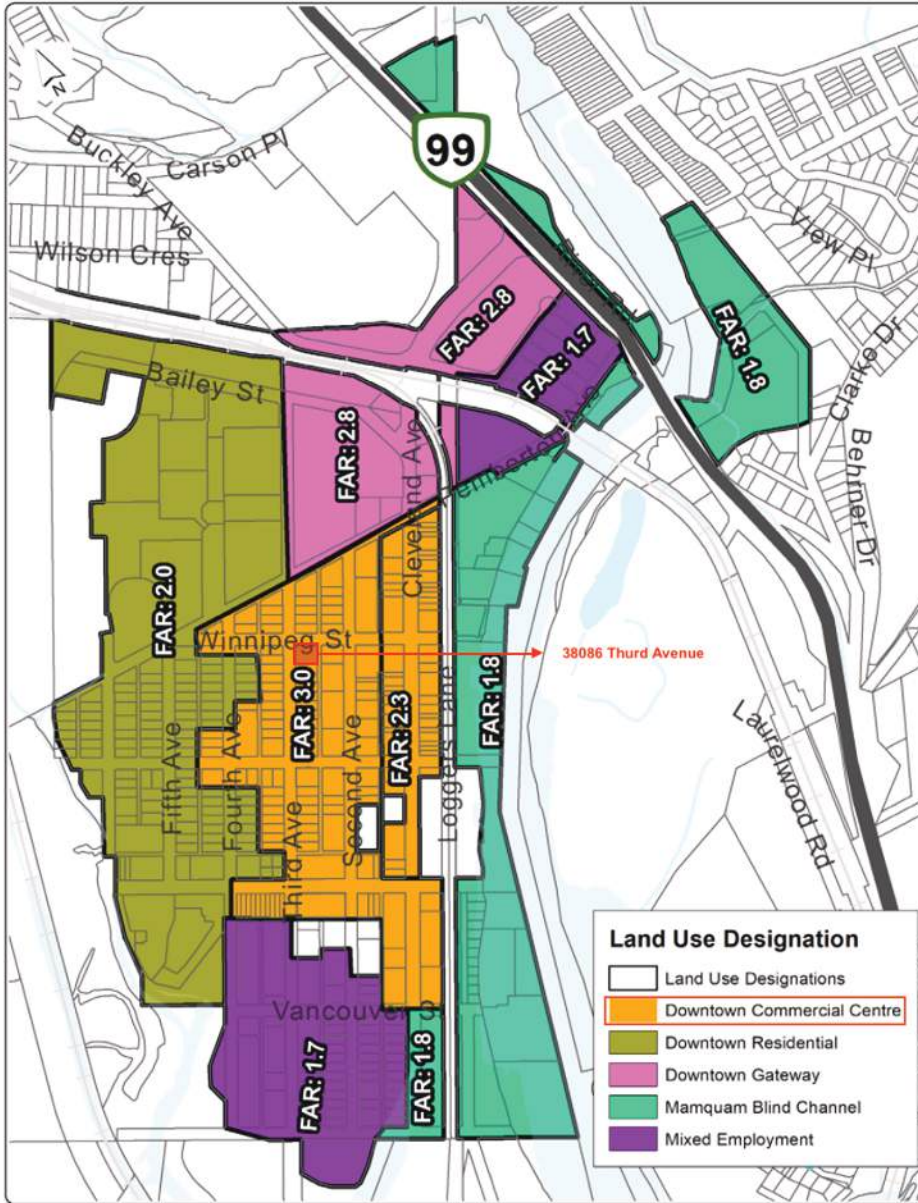

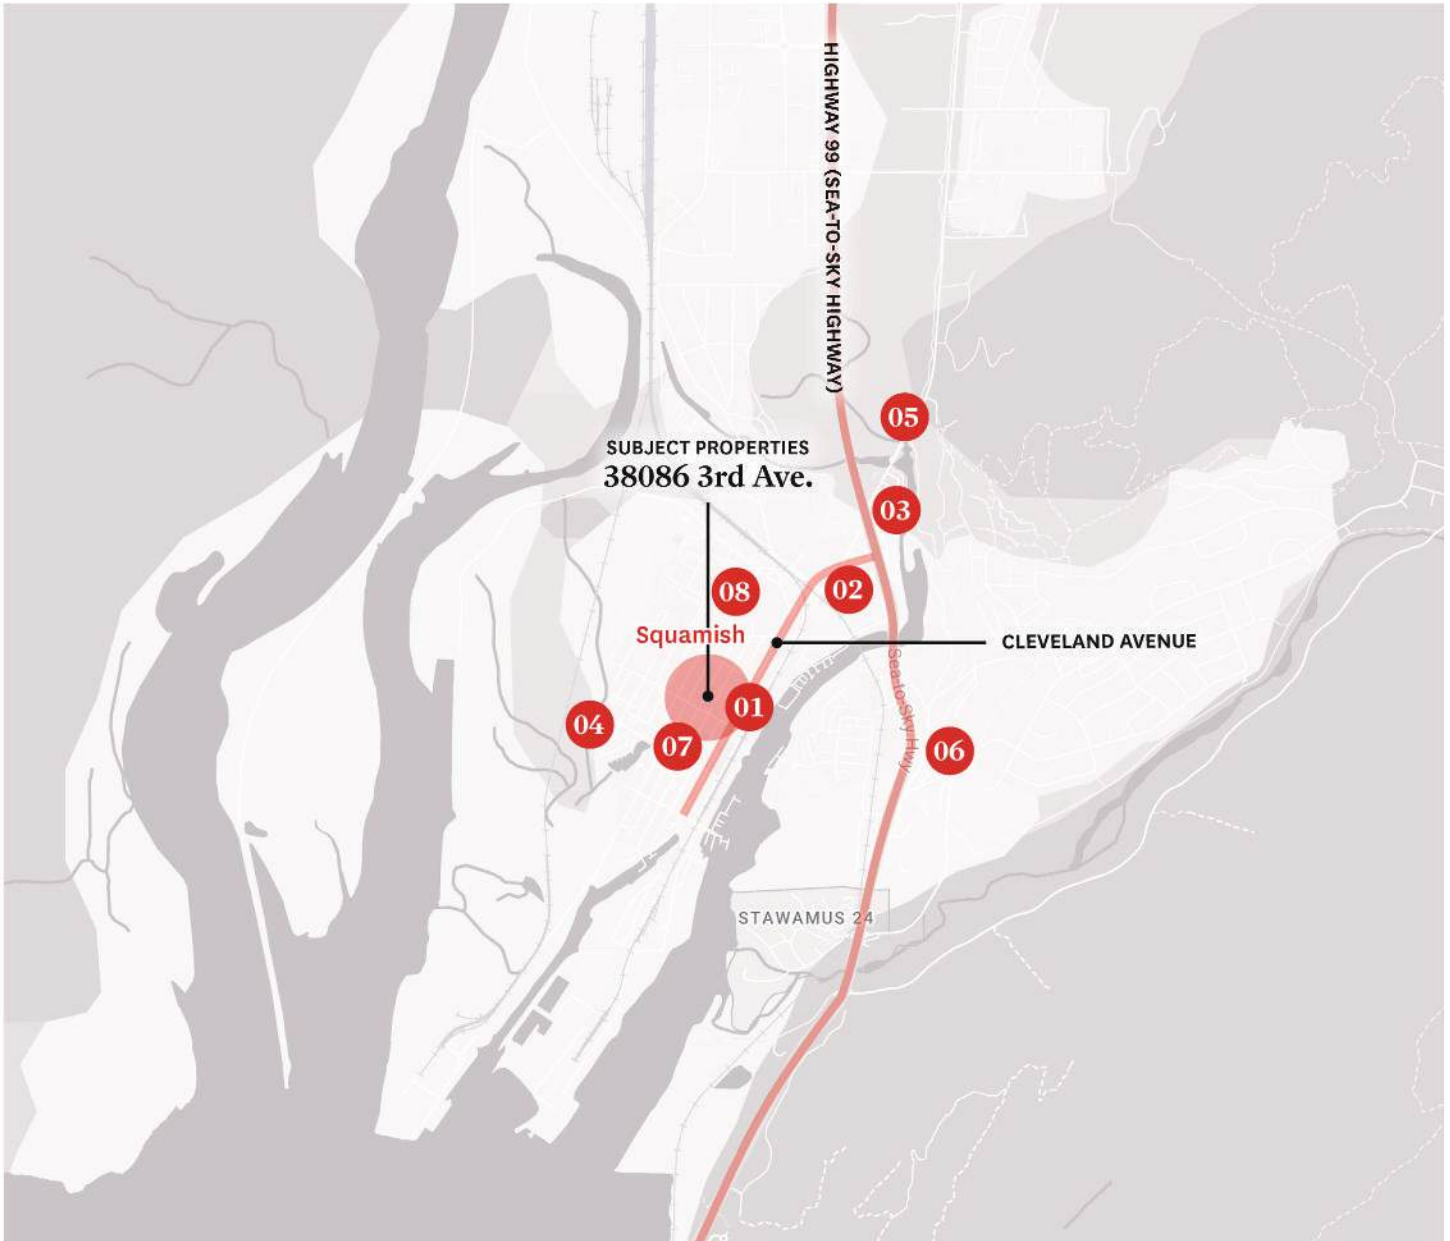

Figure 29-1. Downtown Land Use Designations

Applies to the central business area of Downtown, which forms the primary commercial area of Squamish. The primary land uses supported under this designation are commercial and commercial mixed-uses. Supported complementary uses include arts, culture, civic, institutional, parks, and greenways. Residential-only land uses, and large format retail is not supported under this land use designation. The maximum floor area ratio in the Downtown Commercial Centre is 3.0.

For properties fronting Cleveland Avenue between Pemberton Avenue and Main Street, the maximum floor area ratio is 2.3 except for development projects comprised of 100% employment space in which case the maximum floor area ratio is 3.0, despite Figure 29-1.
