# OPPORTUNITY

Versatile small-bay industrial with permitted second floor and specialized improvements.

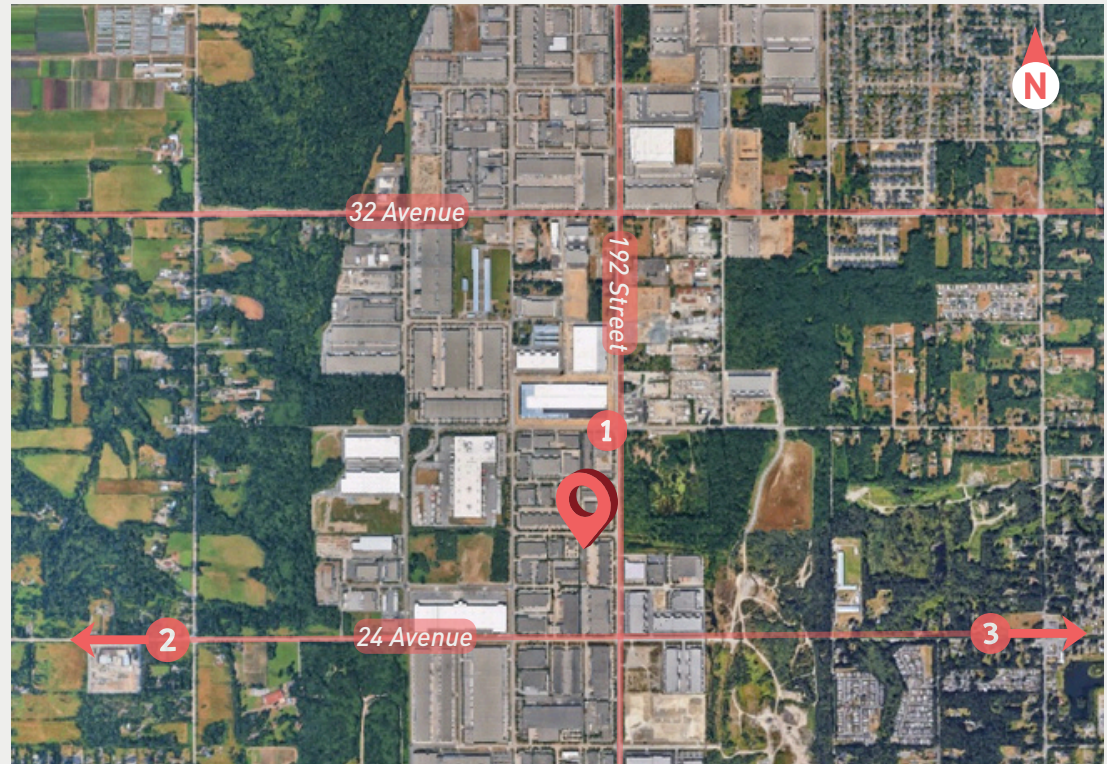

Unit 207 totals 4,159 SF, comprised of 2,593 SF on the main floor plus a permitted second-floor area, providing a flexible mix of warehouse and ancillary space for operations that need both production and support functions.

The unit includes upgraded power (100A @ 600V, 3-phase) and a grade-level loading door for efficient logistics. With 22' clear ceiling height on 40% of the main floor, the space accommodates racking and streamlined warehousing.

For users with specialized requirements, a full spray booth can be included, creating a compelling turnkey option.

The building is well maintained, making this a strong fit for owner-occupiers or investors seeking high-utility industrial product in Campbell Heights.
