OPPORTUNITY

Excellent value, classic Railtown two level building of 10,000 sf over both floors. Mountain views and surrounded by top local businesses and amenities. This is a rare owner/occupier or investor opportunity in this size and price range.

BUILDING AND PREMISES

381 Railway is a concrete block and woodframe, two storey building, located next to Aritizia's new headquarters, and adjacent to the Railtown Café. With two docks at front, one dock at rear, and on-site parking, the building is attractive to a wide variety of users, including showroom, wholesale, manufacturing, tech and more.

Recently improved including new exterior paint, new LED lighting and flooring, the building is a classic Vancouver character, with rough hewn Douglas Fir beams and columns throughout. Very good utility up and down, with skylights/lightwells up and great window lines on both floors.
