QuadReal
Overview

Uniquely positioned for urban professionals to elevate the office experience.

Crafted to exceed the expectations of today's globally connected businesses and sophisticated urban professionals, Southcore Financial Centre (SFC) features two striking office towers encompassing 1.4 million square feet. Located in Toronto's vibrant South Core Financial District, this premier, sustainably designed complex offers immediate access to world-class dining, cultural destinations, and the full energy of downtown Toronto.

Each element of the fully integrated office complex is seamlessly connected by an enclosed pedestrian walkway, linking directly to Union Station and the extensive PATH network. With a strong commitment to energy efficiency and environmental performance, SFC stands as a leader in sustainable design within the downtown core, delivering an exceptional workplace experience for forward-thinking organizations and urban professionals.

Bremner Tower / 120 Bremner Boulevard

Quick Facts

120 Bremner offers its tenants soaring views of Toronto's skyline and waterfront. The building is connected to the city's PATH network via the 2nd floor corridor that provides a direct link to Union Station, Metro Toronto Convention Centre, Scotiabank Arena and the Financial District.

Elevating the Arrival Experience

As part of QuadReal's commitment to being at the forefront of change, the lobbies at 18 York and 120 Bremner have been reimagined to create a cohesive, elevated arrival experience. These connected spaces, located at the heart of Toronto's South Core, serve as vital passageways between office floors, key amenities, and regional transit—making them critical touchpoints in the daily journey of the urban professional.

The transformed lobby design prioritizes accessibility, intuitive flow, and connection. A hospitality-inspired approach reframes the reception experience, while warm, human-scale lighting and versatile furniture settings encourage moments of pause, interaction, and ease. This reinvestment in the public realm enhances daily user experience and reinforces the long-term value, identity, and functionality of these high-performance office assets.

The lobby refresh was guided by these desired outcomes:

Inviting

A hospitality-inspired atmosphere that welcomes everyone, blending warm design elements, comfortable spaces, and engaging features to make every visit enjoyable.

Intuitive

An easily navigable space whether you're a first-time visitor or a tenant, the experience feels accessible and connected, supported by intentional and clear wayfinding.

Alive

A high-traffic landmark where the pulse of urban life intertwines with organic elements, that keep the environment vibrant and ever-evolving.

120 Bremner Lobby Rendering

Natural Connections

The introduction of indoor plants and nature-inspired materials and furnishings creates a seamless blend between interior and exterior environments, celebrating the connection to nature and urban surroundings.

Amenities

Dining

SFC offers a variety of dining options including the SFC/ Eatery and Taverna Mercatto all directly accessible through the PATH.

Tenant Lounge

The York Lounge provides the perfect blend of indoor and outdoor space for tenants offering dining spaces, a quiet meeting area and an outdoor patio with games and additional seating.

Delta Hotel

The Delta Toronto is conveniently located at the corner of Simcoe and Bremner and provides 560 rooms and a variety of corporate amenity spaces.

PATH

The indoor PATH bridge provides connection from Union Station, through the SFC complex, right into the Metro Toronto Convention Centre, UP Express and a multitude of shops and services. It's a convenient, all-weather way to grab coffee or lunch and reach top downtown attractions and stores.

Bike Storage

280 secure bicycle parking with shower facilities available on-site for tenant use.

SFC/ Fitness Centre

Located on the third floor of 120 Bremner, the SFC/ Fitness Club is a tenant exclusive, state-of-the-art 13,000 SF fitness and wellness club providing monthly programming, personal and team training, peleton bike, outdoor fitness area & classes, change rooms, showers, towel service and day use lockers.

Connected to a Vibrant Community

SFC is an appealing, commuter friendly destination for tenants and their employees, easily access by foot, car, bike, transit or air.

Walk

Only a 7-minute walk to Metro Toronto Convention Centre, CN Tower, Rogers Centre, Scotiabank Arena, Union Station and 509/510 streetcar.

Car/Air

SFC provides easy access for commuters, with the Gardiner Expressway immediately south and the Billy Bishop Airport only minutes away.

Bike

Toronto's ever-expanding cycling infrastructure, including dedicated bike lanes along with bike share stations make it an easy way to arrive at work.

Transit

Direct access to Union Station with connections to main TTC routes, GO services (buses and trains) and Pearson Airport (YYZ) connection via the UP Express.

Sustainability is Built Into How We Think

At QuadReal, we integrate sustainable practices into every stage of our work.

From the way we design and operate our buildings, to how we engage with communities, we are committed to creating healthier spaces, vibrant communities, and workplaces that support long-term success.

Our commitment goes beyond carbon. Sustainability at QuadReal means prioritizing environmental responsibility, enhancing community well-being, and upholding good governance. We're committed to creating and managing spaces where people and businesses can thrive – today and for future generations.

Key Notables

Deep Lake Water Cooling

SFC uses this environmentally sustainable method of cooling which significantly reduces hydro consumption by an estimated 5.9 million KW hours annually – the equivalent of the hydro required to power 450 homes.

Water Efficient Design

Maintains healthy water systems through regular testing and adherence to industry best practices.

Green Clean Program

Use of environmentally friendly cleaning products protecting occupants from harmful chemical toxins.

Reduced Urban Heat Island

Energy consumption is significantly reduced through the tower green roof and podium urban forest.

Full Recycle Program

Full recycling program including organics, paper, cardboard, bottles/cans, e-waste, printer toner, batteries and light bulbs.

Development

The in-house QuadReal team is committed to advancing a prudent development program in Canada by identifying opportunities within the existing portfolio or leveraging future acquisitions.

The company plans and develops its properties for the long term and, as such, is forward-looking and focused on quality and resilience. The team is regionally based to ensure local knowledge and on-the-ground planning and development capabilities. There is deep experience in every market where QuadReal operates, develops, and invests. Members of the QuadReal asset and development teams work closely to ensure that the focus is on respect for local communities, from project conception to completion.

QuadReal's Development Approach

The Canada-based team also guides development with international partners. QuadReal approaches all aspects of a project with these guiding values top of mind:

- Developing a portfolio that anticipates demographic and market conditions.
- Leveraging an approach that is respectful of local communities and neighbourhoods.
- Bike Partnering with organizations that have a collaborative and team-based approach, and value long-term relationships.
