A photograph of a modern office lobby. On the left, a large, three-dimensional sculpture of the number '2020' is mounted on a light-colored stone wall. The sculpture is made of polished metal and has a reflective surface. Below it, a triangular cutout in the wall reveals a potted plant. In the center, a small, dark, rectangular table holds a vase of white flowers. In the background, a staircase with a glass railing leads up. The right side of the image is darkened and contains white text.

Welcome to 2020 Robert-Bourassa

2020 Robert-Bourassa is located in one of Downtown's most dynamic areas, with unparalleled access to public transportation including the new REM station on McGill College and Montreal's underground pedestrian network.

With over 500,000 sq. ft. across 25 floors, the property benefits from a fully renovated state-of-the-art lobby, dispatch elevators, a private rooftop terrace and a variety of services at the doorstep of its tenants.

Exceptionally Connected

This prime location offers a vibrant and dynamic setting for businesses. Situated in the heart of the city, 2020 Robert-Bourassa provides easy access to a wide range of amenities, including shopping centers, restaurants, and cultural attractions. With its strategic position, the building presents an excellent opportunity for individuals and organizations seeking a bustling urban environment with a thriving community.

On the Road to Net-Zero Carbon

What is RNZ?

Canderel's new service offering to help our clients decarbonize their assets. It's an end-to-end decarbonization solution to lead buildings through their Net-Zero carbon program.

RNZ's Purpose

Help mitigate climate change by reducing the carbon footprint of buildings.

RNZ's Mission

Decarbonize the built environment by providing comprehensive guidance and support to landlords on their path towards net-zero.

Benefits for the Tenant

- Align with their corporate sustainability goals.
- Energy costs savings
- Resilience to fossil energy and carbon offset price volatility.

Retrofit measures

- Hot deck coil replacement
- Humidification steam boiler replacement
- Cast-iron Smith water boilers replacement
- Gas domestic hot water heaters replacement
- Fault Detection System
