MILL WOODS TOWN CENTRE EDMONTON, AB

Mill Woods Town Centre is situated at the epicentre of Southeast Edmonton, catering to a wide market catchment of mature residential neighbourhoods and acts as a true town centre, serving as an important regional shopping destination for residents.

Anchored by Canadian Tire, Fit4Less, Shoppers Drug Mart, and Dollarama, the centre benefits from secure daily traffic and offers a strong mix of national and local retailers, restaurants and services.

A modern Edmonton Public Library facility is located on site, and further complementing the regional draw of the centre are the adjacent Grey Nuns Community Hospital, Edmonton Police Service Southeast Division, and Mill Woods Recreation Centre including two NHL-sized arenas, three baseball diamonds and three multi-use sports fields located directly across the street.

Accessibility is unparalleled with the Mill Woods Transit Centre and bus loop located on site, which will be further enhanced by the new Mill Woods LRT station and Transit Centre on site connecting to downtown Edmonton in only 30 minutes.

Trade area demographics are characterized by an affluent cohort of younger and middle-aged couples and families, with both population and household income projected to grow substantially.

With this new public transit infrastructure, the City is targeting Mill Woods Town Centre to become a transit-oriented urban village, with significant residential density. Up to 5,000 residential units will potentially be added to the site over the next 20 years, which will increase the trade area population and ensure a strong and growing consumer base for Mill Woods Town Centre into the future.
