

# Gladstone Professional Centre

6155 NORTH ST, HALIFAX, NS B3K 5R3

## Short Marketing Description (Flyer Version)

**Gladstone Professional Centre** is a well-established medical and professional office building located at **6155 North Street in Halifax's North End**, just three blocks from the **Queen Elizabeth II Health Sciences Centre**, the largest hospital facility in Atlantic Canada. The building offers an ideal location for healthcare and wellness professionals seeking proximity to the region's primary hospital and a strong network of complementary medical services.

The property is home to a diverse mix of healthcare providers including **Lawtons Drugs, family practice physicians, orthodontists, family dentistry, endodontics, dermatology, a hearing centre, psychologists, sleep therapy, and infusion services**, creating a collaborative medical environment with consistent patient traffic.

Surrounded by a growing residential community, seniors' complexes, cafés, and local amenities, the area has become one of Halifax's most vibrant and walkable neighbourhoods. The building is also conveniently located near public transit and incorporates sustainability initiatives and professional building management, making Gladstone Professional Centre a premier location for medical and allied health practices.
