A GREENER WORKPLACE

COMMITTED TO A HEALTHY & SAFE ENVIRONMENT FOR ALL

ESG In Everything We Do

Crown considers ESG at every step of the real estate investment lifecycle. Our model of active, integrated management prioritizes environmental and social sustainability at Heartland Corporate Centre and creates the greatest value for all of our tenants.

Certifications and Awards

Crown has achieved excellence in sustainability through the following awards and certifications at Heartland Corporate Centre

BOMA BEST
SUSTAINABLE · SILVER

The BOMA Best Certification ensures our buildings are sustainable and efficient, which benefits tenants by lowering energy and water use, improving air quality, and supporting overall wellness. It shows our commitment to a cleaner, healthier, and more resilient workspace for everyone. This certification helps create a better environment through good custodial practices and waste reduction

Fitwel Certification rates the health and wellness of buildings, enhancing tenant well-being and boosting employee performance, retention, and recruitment. It prioritizes user experience and the overall facility environment, ensuring a healthier and more pleasant workplace for everyone.

With LEED Certification, tenants enjoy a healthier workspace with better air quality, natural light, and sustainable features. This creates a comfortable, productive environment reducing environmental impact.

Community Building

Crown's commitment to creating a smarter, more responsible model for commercial real estate investing and management extends beyond the walls of our buildings and boundaries of our properties, to our local communities and great environment.

TAKE CONTROL OF YOUR WORKDAY.

The Connect by Crown mobile app gives tenants on-demand access to amenities, communication with property management, and the office community.
