EXCEPTIONAL OPPORTUNITY

Avison Young is pleased to present an exceptional opportunity to acquire a strategically located industrial facility in Langley’s highly sought-after Port Kells industrial area. Situated at 19950 – 101 Avenue, the 10.84-acre site comprises 159,583 sf of existing improvements, with the potential to expand the building area by over 130,000 sf.

It is estimated that the property will be delivered vacant as of April 1, 2027, offering a rare opportunity for both owner-users and investors. This provides flexibility for immediate occupancy, repositioning, or redevelopment, allowing purchasers to align the asset with their operational requirements or investment strategy.

The site features a large, functional paved yard suitable for outdoor storage and efficient circulation. Improvements include a 3,426 sf annex office building with modern finishes and a kitchenette, as well as a 147,832 sf distribution facility complemented by 8,325 sf of office and employee amenity space.

The property benefits from exceptional connectivity, with immediate access to Highway 1 and close proximity to Highway 15, enabling efficient east–west movement across Metro Vancouver and direct north–south access to the U.S. border. The location also offers strong access to key arterial routes including 200 Street and Fraser Highway.

SITE PLAN & EXPANSION OPPORTUNITY

The 10.84 acre site is currently improved at approximately 37% site coverage, significantly below the permitted 60% under existing zoning. This allows for the potential to develop over 130,000 sf of additional building area. The low site coverage provides exceptional flexibility for users requiring substantial secure outdoor storage, while also offering the potential for future expansion. Preliminary due diligence has been completed to support this expansion, including geotechnical investigations and high-level expansion planning.

LOCATION

The Port Kells Industrial Area is one of the most sought-after submarkets, driven by its central location and immediate access to major highway networks. The property also qualifies for the Regional Film Tax Credits available from the Province of BC, offering an incentive for film and production users. Port Kells provides a strong amenity base for employees, and with a growing share of Metro Vancouver's labour force relocating to the Fraser Valley in search of more affordable housing, the area continues to offer employers access to an expanding and reliable labour pool.
