GATEWAY TO THE SOUTH

Wetaskiwin Mall is a major regional shopping centre with exceptional exposure to Highway 2A and convenient access from the surrounding townships. The primary trade area extends north and south along Highway 2A to capture a population base just over 93,000 people. Currently undergoing numerous significant mechanical and design renovations, Wetaskiwin Mall is being repositioned as a retail, service and medical destination for the trade area.

VISITOR DESTINATION

The 54' wide "Healing Medicine" mural by Lance Cardinal draws additional visitors to this location from all over Alberta. Located next to Alberta Health Services' Home Care office, the mural brightens the space and celebrates the culture of the community.
